At the Springer we are dedicated to serving fresh, quality local food. We are one of the oldest pubs in the area dating back to 1815 and love our traditional Cornish country pub roots. Our very talented head chef, Paul Wearing has created an exceptional menu using the best ingredients in the area. Our front of house team is extremely knowledgeable about our food and nothing is too much trouble so should you need any assistance please don't hesitate to ask. No matter the occasion there's something for everyone at the Springer.
